Johnson's Island O. May 14th '65

My Dear Cousin:

I wrote to you on the 11th inst stating that I would like to have a pair of Pants as I was in need of them. I gave the size 33: 34. which I think will be too small. If you send them please send size 34: 35.

In answer to your inquiry- I have not seen any Prisoners in the late arrivals who were from Maryland. We have a very fine Preacher here in prison with us now who was lately captured. His name is Girardeau from Charleston S.C. He was considered the best preacher in the city of Charleston. Give my love to your Mother. Write soon.

Your Affectionate Cousin
Geo. W. McVoin
