emigrant safe on board the vessel for Africa - before 10 o'clock - To whom shall we send the check for $50 - & in what mode a moiety of this sum be expended? Can any part be laid out in Carpenters tools"?

Will it be necessary that the man should be in Baltimore earlier than the 15th Nov.? If so - would accommodations be provided for him at the Col.n Society's expense -?

These things require a little foresight - If there is any thing else that requires our attention - please to inform me, as early as convenient -

I am Dear Sir
with great respect & esteem
Yours very truly
