Rev Sa. Easter New York 19. Oct 1838.

Rev and dear Sir

Yours of 17 is received. Dr Savage who left here this morning will probably converse with you respecting any freight for C. Palmas on the part of the Foreign Committee. As Dr S. sails from this port the chief if not all which we send will accompany him from hence. Messrs. James Barrell & Son will inform you what they may send for Mr Payne's account. Should we send any thing this season from Baltimore it will only a few Barrels of provisions of which I will advise you prior to the 1st of Nov: if so determined. Under these circumstances we cannot ask you to engage us room. Messrs. Barrells will probably be glad to consult with you early.

The Committee at their last meeting resolved to transmit a copy of Mr Latrobes letter of 1 Oct & its enclosure to Mr Payne and cannot but regret that any thing of the kind had come from Mr P.

I am Yours very truly

Ethan Avaughan. Sec. & Gen. Agt
