Mr Benj. Tuckh.

Dear Sir

I gladly avail myself of this opportunity of writing you by return of Barque Saluda. Our sugar cane promises so well that there is every likelihood of our having an early use for a wind mill we shall therefore ~~glady~~ feel if we annual a spring with a great deal of satisfaction. Among the Emigrants from your place there has been only one death, and his health was indifferent before he embarked for this country.

I take this opportunity to enquire for the books that were left at your house should you not have sent them on this, I wish you to do so on the receipt of this, or you can bring them with you. Remember me to your family Mr Jackson & myself enjoying excellent health.

Very Respectfully
Your Obed Servt
Thos Jackson
