Philad^a. June 3. 1839

Dear Sir

I have rec^d from Rev Mr. Freeman, author of the "Plea for Africa", a letter stating that 49 copies of that work were ordered sent by Gov Buchanan last year to you, amounting to $31.85 & asking my attention to obtain its liquidn.

As that worthy man is much in need of the very inadequate returns of that work, it will afford me great pleasure to receive & transmit to him the amt., & shall be happy if you can arrange it, so as to forward me a Dft for the above sum. When lately in Hartford Mr. White (a proprietor of the publication of the Journal of Freedom) requested me when an opp^y occurred to present their claim for $2 for one years Subn. made by your Soc: to it. If found correct, that might also be added to the form sum when remitted. I send over leaf, a Circular of our Ladies, which may perhaps add to the zeal of young in prosecuting their benign labours for the welfare of the African Race. With the best wishes for the success of your noble enterprize,

Your very respectfully
