Our plan of operations will require us to remain in this Country until the twenty eighth of next month (July) and should our health hold out we shall to remain till that time. We are very much and it seems that our duties have become more arduous with declining health. With God's blessing we hope yet to do something towards the success of the scheme of African Colonization

Will you please write to me and forward the last numbers of the emancipator. Direct Cape Palmas

Yr Truly
John H. Kennard
