[illegible] attempt to poison them [illegible] the colonists. They called a meeting [illegible]
It was Harsh and may be wrong we the Representatives had just
to try and pacify as well as we could [illegible] the colonist [illegible] take no hard measures and if they
will be would stay with them until the matter appeary was a
[illegible] to colonist [illegible] any
[illegible] the [illegible] [illegible] [illegible]
[illegible] per cent [illegible] must make [illegible] of
[illegible] wives, he is allowed
[illegible] and [illegible] in this [illegible] [illegible]
[illegible] of monthly [illegible] forbid [illegible] the [illegible]
[illegible] We have [illegible] the [illegible] we do not
[illegible] other answer [illegible] to a [illegible]
[illegible] the colonist [illegible] the authorities [illegible]
[illegible] to [illegible] [illegible] [illegible] [illegible]
Country instructed by our dispatch [illegible] to [illegible] to
be brought [illegible] with [illegible] [illegible] oaths taken with our
what would not be done in a manner under our masters.

The Governor Reminded great Groups that he had him
in his power. to turn them from the place [illegible] on the
[illegible] [illegible] to the Council [illegible] [illegible]
[illegible] [illegible] all that will write to the Council [illegible]
[illegible] [illegible] [illegible] [illegible] [illegible]
[illegible] [
