Dr Wm Easter /

I think we may confidently calculate on thirteen emigrants in addition to those already furnished you. They are from St Marys County. Tomorrow I commence with this County. Prospects (say our friends) are unfavorable. It cannot fail to do much to prejudice our cause and what success will attend us we know not. Duty is ours. Success with the Lord, and by his blessing we hope to do something. The probability now is that we shall be in Balto next week or early in the week after.

Yrs truly
