Annapolis Novr. 12. 1838

Dear Sir,

I had until yesterday entertained the hope of being in Baltc. on the 15th Instt to witness the departure of the Ship which is to sail thence for Liberia on that day: but I find that it will not be in my power to leave home, and I must beg you to use the trifle which I enclose in the purchase of Bible, or Testaments and Tracts to be taken out to the Colonist, ~~there~~ in Africa. Have the kindness not to mention my name in connexion with this donation.

With much regret that it must of necessity be so small, and with the warmest wishes for the entire success of the noble scheme of Colonization.

I am, dear Sir,
With high respect.
Geo. F. Worthington.
