

come up, if only for a few days - she
will not need much clothes.

Sue, you thought true about me
retaliating, and is it any wonder?
Good-bye - I remain

As ever Your attached friend
Mathilde,

Care for Chills.
Take a teaspoonful of finely pulverized
oposites mixed with molasses, or
sipping to bed after soaking the foot
in warm water. Two or three doses
after cure.
Another
Take early in the morning a whole
nutmeg, grated into glass, containing
the juice of one lemon: repeat until
cured.
