Dear Susie,

I neglected last
night to offer our few to
No¹⁰ O.R. & Mr L, if
they will accept tele them
it is few No 4 have of
Church, I would call down
and escort them but expect
Mie and Frankl, will do
that.

I presume you had
a gay time after I left
Did you dance the "Gallops"?
of course you do, hope it
had no bad effect?

I am your affection friend
Mant
