Rev & Dear Bro,

Above you have a chk for the amt of collection in my church for Md State Colon Society — I expected to have taken up this collection at or about the 4th of July — but I was so situated as not to be able — I have only returned to my charge, after an absence of five weeks, two weeks ago — and last Sunday was the first Sunday after notice given — I am only sorry the amt is no larger — But such as it is, may the blessing of the Lord go with it —

In haste Yours Truly
