

that I intended calling on his Sisters, when
I came to Balt. but I was too tired &
sleepy and was in bed all day untill
it was time to take the Boat home.

As it is time for the mail-carrier to
come along, I must close this.

Give my kind regards to all inquiring friends
my love to all your family and accept
a shawl for yourself. Hoping to hear from
you & Nannie soon, I remain as ever

Your Sincere

Friend Mary

wool will make her a pretty dress. also tell
her I wrote her a letter with the shawl;
which I hope ere this has reached you in
safety. it was very serviceable to Kali coming
home. and accept our many thanks for
all the kindness we received while at
your house, they will never be forgotten
