James Hall Esq:
Office Maryland State Colonizat Society

Dear Sir,

Yours of 19. inst is rec.d only to day - the only information we at present possess in relation to the subject, is, that Judge Wilkerson has assured us that a ship would sail from N.York for this place 25th inst. and from this to Liberia 1. prox.o - We have only now accepted the Agency and consequently know nothing of what cargo is intended for the ship - We have no doubt your freight could be accommodated, however, as the number of Emigrants will hardly exceed 50 - still we could not commit ourselves in giving you advice opinions as we are of what is to be the Cargo of the Ship - Were the tables were situated as you are, and anxious to send the good forward, we should send them down for this ship so as be ready to go on board with the first shipments. The Casks could not be procured here, but a few might say 10 or 12 - Our impression is that the ship will hardly sail before 5. Feby, altho' our advice is late

If will afford us pleasure to serve you at anytime -

Very truly
Resp.y Your ob.t Serv.ts
