

close of the year or nearly so
I am great anxious to see you
I have been interrupted so
often since I have been writing
I fear I have made many
some unpardonable mistakes
I don't think you have a
right to think your letters
either tedious or uninteresting & you
probably judge me by yourself -
Any way I have imposed quite
a lengthy punishment this time
and if I hear any complaint
the next will be longer still.

I am bothered tonight. I will
try and make my next more in-
teresting - Where is Miss Sammie
and how is she tell her to come
to Batto again and spend some
time and I will afflict her with
my company atleast two evenings
if we are spending her day -
I must say good bye and good
night - My time is nearly up for
this night - My kindest regards to
your parents and Brothers & Sisters
and believe me to be as ever your attached
friend Greenville
