Dear Sir!

I have your favors of — with documents &c for which receive thanks. Since reaching this place I have been as actively engaged as possible. The weather has been very unfavorable. During the storm on Saturday I succeeded in getting together a few gentlemen of Easton to whom explanations were made and from whom assurances received of readiness and desire to cooperate in getting up the June Convention. There is no reasonable doubt of Talbot's being represented. I have appointed four Meetings in that County to be held on the 5. 6. 7 & 8 of Apl. after which I shall return home.

I left Easton on Monday 8th for Caroline County, Court being in session for that County. And reached Denton in the afternoon; immediately commenced preparations for a County Meeting, which was fixed for Wednesday evening. On Tuesday morning left for Greensboro', an important town in Caroline County, at which place I had an appointment for the evening of that day. Held meeting, made an address, perfect interest, two delegates appointed to represent that Election District in the June Convention. Wednesday morning left Greensboro' for Denton, Rain & snowing fast, and reached Denton in about two hours. The storm continued all day and until in the night, so that there was no meeting on Wednesday. On Thursday commenced making arrangements for meeting at Denton that evening, and succeeded. Tolerably good attendance and Committee appointed to arrange and send delegates to the Convention
