Miss Susie

My dear friend
Yours of 12th inst. came duly
to hand. And from causes
over which I had no control
I have delayed a reply til now
I was very glad to see that your
County acquitted herself so
well in the last^{re} political
contest which our State
has passed through. And

the Ancient City may very
soon throw off the yoke
of Radicalism. And once
more return to the Democracy
which did for so long a time
hold together this Country as
~~well as~~ both State & general government
