Dear Sir

Elkridge
June 15/41

It gives me pleasure to introduce my old and highly valued friend Capt. Jno. Cunningham who will call on you at yr office.

The strong interest he feels in the success of the Colonization plans, & the thorough knowledge he possesses of every branch of his profession, will give great weight to his opinions on the subject of establishing a regular, & direct intercourse with Cape Palmas, & I shall be anxious to know the result of yr interview. Capt. C's plan of a crew of Coloured Seamen (which he has suggested in a letter to me) & a vessel of about 250 Tons to run as a Regular Trader is admirable & was going to have been before the Convention adjourned. Yrs truly
