Dr. Sir

Rockville 25th June 1841

Dear Sir,

I forwarded you Mr. Rev. Mr Robinson fifty one dollars and at that time expected to have received much more by the present but am disappointed. I have a few drafts on Baltimore and a good many good promises. Business however will now build the people. Money is very scarce. The ways of the Corporation are favorably regarded by all so far as I have had occasion to learn or judge, and I have no doubt of obtaining from this portion of Anne Arundel County, and Annapolis, at least as much as originally subscribed. 1250 dollars. Several have increased the amount of subscription, and several new subscriptions have been obtained. My health is good and I am doing what I can.

I have a note for 120 dollars falling due on 4th July. I can pay it for you I should be obliged if you send the book notice to Saml. J. Richardson Market Street. Should you write in a few days direct Davidsonville.

Sincerely
John H. Stanard

In "Niles Weekly Register" of 19th March in the first notice I have seen of our Corporation by the Abolition Society. Read it, and I suppose whether it would not be wise to transfer it to the Columns of the Journal.
