Dear Sir

I am returning from the lower end of this county where I have had pregnant conversations with the colored people particularly on Sunday last a tolerable large number were convened at a meeting house, I gave them a plain unvarnished statement and they listened to me with great attention one old man is independent he thinks he can raise one thousand dollars, he intends go to Liberia, altogether none of them gave their names as yet still I have some hope I expect I leave the county I have got 15 names from the upper court they go by the next vessel, I have done very small business with the journal since my last. I hope to have better success in the upper part of the county

I shall continue to call & remain Very Respectfully
Yours
