

When the first arrests were made Johnnie was absent.

I think this Government will have their hands full if they undertake the management of State Affairs as well as those of the general government.

I am very sorry your family has had this load of trouble annexed to those of the past few years, yet I hope it may terminate very differently from what you seem to anticipate.

Let us hope for the best, and put our trust in a higher power than that of U. S. Grant & Co.

Miss Lizzie I had quite a visit in this City. I am sorry I did not see her, as she is a favorite of mine. She must take the will for the deed, and another time, I will try and be more successful. Remember me to her.

Ha? Ha? you need not lay it on report altogether. I thought the
