Dear Sir

I mailed a letter yesterday, Requesting that you would do us the favour to attend a meeting of our Colonization Society to take place on Saturday next. Since writing, I learn that a political meeting had been called to take place at the same time appointed by us, and in the neighbourhood. Conferring with Mr. Iglehart the Rest of the Society, we have come to the conclusion that it will be better to postpone the meeting of the Society till after the Election; as the political meetings will in all probability interfere with us, and the minds of the people will be engaged with other matters. When we meet we wish to get a full attendance, & will then beg you to favour us with your presence. With great Respect

Yours N. B. Worthington.
