Dear Sir

At a meeting of the Colonization Society of this place held on the 12th Inst the following Resolutions were adopted on motion of N. C. Greene Esqr

"Resolved that the Corresponding Secretary be hereby instructed to write to the Home Agent & respectfully requesting that he will make provision for Joshua Carnish an emigrant from this county to return on a visit to the U. S. in the Ship which sails for Liberia this fall —

"Resolved that the Corresponding Secretary also request the Home Agent to forward to this Society any papers or periodicals that in his opinion will aid the cause of Colonization —

Carnish went from this County about four years ago and he then promised his friends to return in four years if he had an opportunity — The Society here think it advisable to give him an opportunity to redeem that promise — He has yet some children here, as well as numerous relatives, who are free, and who we think would return with him if he were to come in — From numerous letters received from him he is well pleased with his new home, and he may prove a valuable auxiliary to the cause here

Very Respectfully Your Obedient Servant
