Dear Sir

My mother Mrs Lucy S Minor will send to your care by the next Steam boat from this place (which reaches Balto I believe on thursday) four boxes & a chest (about 35 cubic feet) to be shipped to my brother the Rev L B Minor, Cape Palmas, in the vessel which is about to be despatched by the Maryland Colonization Society. The freight hence to Balto will be paid here - for the Drayage & Storage in your city, please send a bill to Mr L Gill Cashr of the Merchants Bank who will pay it.

My mother will return it a favor if you draft her a line apprising her of the articles reaching your hands in good order

Most Respectfully
Yr Obt Servt
