Richmond Va. 30 Nov: 1841

James Hall Esq.

My dear Sir!

I take the liberty of enclosing to you the letter for Liberia which I pray you to forward by your respected aunt to Rock. Should you go yourself please deliver them in person, if not let them be put into the hands of Mr. Gillie who I think will see that they are delivered to their owners.

I was in Baltimore lately on my return from the South, but having been absent from my sick family for 5 weeks and upwards, I did not stop long enough to afford me an opportunity of calling on you. I hope you are well and that Mrs Hall continues to enjoy the same blessing. I leave home tomorrow for Pittsburgh and other places on and about the Alleghenies and may be away three weeks. —

Compliments to Mrs H. and family in which Mrs Lyon joins me — and believe me

Yours very truly
