Washington 24th July 1842

My Dear Sir,

We have determined to change the form of the Repository, & desire to send out in the first number a small map of the Coast. It is said to us that the enclosed map is not correct, & that you might point out the errors. Will you be good enough to aid us, in making out as correct an outline of the Liberian Coast, & noting the positions of the several Settlements, as possible. I suppose the mail of to day, may bring me some account of your arrangements.

With great respect
I remain
Your Obt Svt truly
R R Gurley
