My Dear Sir,

I have received the map you have so kindly loaned us, but not the Reports, & probably these last you have thought best to retain until I see you.

Week after next will suit me as well as next should you resolve to postpone the meeting. Please let me know when the matter is decided, as I think of holding two or three meetings, soon in this District.

I hope you have good news from Cape Palmas, & rejoice that your subscription is so well begun. With the greatest respect, My dear Sir,

Yours ever
R R Gurley
