Washington March 8th
1842

My Dear Sir,

I ought before this, to have stated, that our committee gave their attention to the account which you left in my hands with the accompanying letter of Brown. They request me to say that they wish to consult Brown further on the subject & Mr McLain (who was not present at the meeting) informs me, that the Mississippi Society are liable for the payment for goods, left at Sinoe for the Colony, prior to 1841.

I will converse fully with you, in relation to this, when I have the pleasure to meet you.

I suppose, I need not tell myself in any readiness to be in Baltimore this week, I mention this, only, as I may attend some meeting, in the district on Friday & Saturday

With the greatest respect
I remain yours
R R Gurley
