

serve me right?

Ellie is calling me ~~of~~ of
course) so I must run away; Indeed I
felt what I said about wishing to have you
talk with me; you think I show poor taste;
I do not think you prosy.

Does not the River look lovely
I'd like to have a sail:

Good bye - I'm so stupid can't
find anything interesting to tell you.

As ever your friend

Lurie.
