East New Market June 20th 1842

Dear Sir

A letter has been received here from Joshua Cornish, dated Boston June the 9th, in which he states that he arrived there the week before in the Schooner Heroine, and has no money to bring him to Balt, that he cannot get a conveyance, that Capt Hunt with whom he was to leave C. Palmas has not arrived, and he (Capt Hunt) has all his papers, and was to prepare a passage for him from Boston to Balt, as he expected to arrive in this country before the Herald — In this situation he knows not how to get home — The Officers of the Colonization Society here, wish you to be acquainted with the facts, and further wish you to provide some means to bring him to Balt, and if it be necessary the Society here will defray the expense you with have him brought with as little cost as possible — We earnestly wish you to attend to it at as early a day as possible — Were we, as he intimates in his letter to his friends here, to send funds to him, it is more than likely that he may have left Boston before they could reach him, as Capt Hunt may by this time have arrived — We earnestly hope that his arrival here will give a new impulse to Colonization — You will please write me by Capt Robinson the Beaver — Joshua requests any communication to him to be directed to the Care of Mr William Nutter No 137 Ann St Boston
