Should you conclude to come, we will have Meetings arranged as you may direct — If the agent arrives at the time you named, I think he will answer all the purposes — Do not think however that we would wish to deter you from coming — We shall at any time be happy not only to do but to cooperate in any measures that you may think necessary to aid the good cause —

If we absolutely need your assistance towards fall, we shall not fail to send you word —

A Camp Meeting begins near this place this day and we intend holding a Colonization Meeting for both White and Coloured, sometime during its continuance —
