Dr Sir

I have determined to emigrate to Liberia and from the arrangements now made I calculate that all my Family and their connections will go making a party of from fourty to Fifty they are all young except myself. These circumstances induces me to ask of you information on the following points 1st please inform me what terms we can be carried out upon. 2nd how much it will tathe pr. man to fix him in a situation to live, after we get there, some have families. some are young.

3rd Will the society provide for us for a time and how long.. 4th When can we ship. most adviseably. Can we get off in the latter part of December or during the winter, or if we should not gout out this Fall shall we be obliged to wait untill next spring. please advise me on the above points as early as possible. we have some property to dispose off. and other arrangements to make necessary to the change and any information you may think of interest to those who are disposed to Emigrate, such as may enable them to prepare for the proposed change will be thankfully received by

Dr Sir your very Humble Servt.
