Dear Sir)

Sudlers X Roads Augt 31st 1842

I have commenced operations in this place and the country round I found Dr George a very warm friend of the cause, he accompanied me to several coloured people on yesterday and he found them favorably disposed to emmigration but nothing more we expect to have a great meeting on sunday I found Rev Mr Bell another warm friend he kindly gave me the use of the meeting house on sunday as the coloured people occupy that day: but reason that I wrote so soon is worth you to enquire of Dr Mc Gill of the Knowsing family of Jacob Gibson who went from Sudlers X Roads as promised to come back and let them know how he was getting on and what were their prospects but as he has not done that they are afraid he is not doing well will you please to write by return of mail so that I may know more before sunday

Your Very Respectfully Jd M Bowen
