Dr. Hall

Dear Sir

your favour of the 9th Inst came safe to hand and I have to say in answer to your Enquiries that the following persons will go to office this fall. James Grant & wife and 4 children 6 in all Henry Denton, Mariah Denton and child ... 3 and Isaac Athey has promised to go but I cannot depend upon them yet. but I think you may calculate on about fifteen from this neighborhood perhaps 20 may go I pleased to say that I am in my usual health and shall continue to move about among the people until I hear from you again I am very desirous to get home and should it be my lot to get to my native land once more I shall content myself to finish my days there

Yrs. Very respectfully
