

I dont mean to say woman is more
 than human, by no means. She has
 her faults. Yet she was created to
 be Mans helpmeet ~~and~~ companion
 and adviser in time of trouble -
 And its simply giving her the
 character ^{or office} for which she was
 created that I allot her now -
 I will again return to those beau-
 tiful flowers you were so kind to
 send me; Among them was a
 bleeding heart, and in ~~your~~ brackets
 you write the word mine - disengage
 your heart blood. Remember,
 that strength is given to bear the
 burthen imposed if asked for
 in a proper manner. One, the
 ruler and director of all things
 sees and knows what each one
 of us needs - but does not always
 give til asked for - And then proba-
 bly not in the way we most wish
 it, but in a better way though we
 dont see it in that light, because we have
