much to my sorrow, will not stop for the sake of one passenger of the Cape. My only hope then for some time, is, th. yr. society will be sending a vessel direct during the coming month, & in it I may be able to secure a passage: - Can you give me information on this point? Have you as yet chartered a vessel? And can a passenger be accommodated? I sh. like much to hear from you, for as you may imagine, my detention is truly trying.

With my sincere regards to yr. wife, cousin Ben, his family, & cousin Julia, believe me I am my dear John yr. affec. cousin
