New York November 16 1842

Dear Sir

We are much obliged by your favor of 14 inst advising of Barque Globe for Africa and shall avail ourselves of this opportunity for forwarding our usual Missionary supplies to C. Palmas. Shall put our orders in hand immediately and be ready in a few days to make the shipment to Baltimore. say in bulk about 20 to 25 Bbls. Please accept our thanks for your kindness in proffering your assistance ~~in~~ purchasing at Baltimore. So large a proportion of the ~~usual~~ articles we propose sending being such as we prefer to procure here, has however induced us to procure them all here except the Rum & Hdkfs which are procured through the agent at B.

We have a line from the Rev S Hazlehurst this morning stating his intention of availing himself of the opportunity by your vessel, although unadvised at the time of writing what vessel it would be or what time she would positively sail. Such is the anxiety of Mr H to reach his destination that I think you may safely
