Fred. Nov. 29th 1842.

Dear Sir,

Since I wrote you last I have added one to the number of my packages and therefore think it ~~proper~~ necessary to let you know, that I have this day put on board the Steamboat Susquehanna, which plies between this place and Baltimore, 1 barrel, 1 chest and 3 boxes, they will be left at the Steamboat Warehouse, to be forwarded by the Mr. Shoemaker Steamboat Agent, to the Benger Stock.

I should be greatly obliged to you to give some attention to ascertain whether the Captain delivers them to the Benger safely, and if you will take the trouble to drop me a line to relieve my anxiety on the subject.

Very Respectfully
Yours &c Minor
