

always interesting to me, so do
not slander your self any more,
I do not allow any one to slander my
friends. There is a terrible black
cloud at the West - travelling
very fast this way; we have been
talking - Nan and I - about, our
this we go visit if it rains of course
going is out of the question. do not
you ~~wish~~ hope it will rain? I do.

I doubt if you can read this, I
have a book resting on the window
sill, for a desk - improvised for
the occasion,

I suppose you can't run
