

"Home"

Dear Mast

I looked for you to day
at 12 - thought perhaps you might
finish "cleaning up" before that
and get down - but you did not.

How are you? quite well I hope, and
enjoying this nice day:

Did you drop me a line - and
could not catch a "Mercury" - or
have you not thought of me to day?
The latter I expect - well this will
remind you - so you can send an
answer to this.

And Martin I come
begging: have you in the store
