Sunkirk Nov 3rd 1842

Sir

When I subscribed to the erection of the Ship designed for the use of the Maryland Colonization Society I was informed by the State's agent Mr McKenny I would be entitled to receive the Colonization journal, which I have never received, this may have happened through mistake as I found some copies of that journal this date at the St Leonards post office for me, this office is some thirty or forty miles from me, if I am entitled to this paper, you will oblige me by sending it to Sunkirk Calvert County
