

"Home" 1 1/2, P.M.

Dear Mart

I send the "Capital"
would have sent it sooner
but looked for you down,
was disappointed however.

I have marked the article.
hope you will find it interest-
ing. I have not looked at the
paper - have three others,
which you can have when
through with this.

Yours, in haste
Susie.

June 2nd 1872.
