Fredericksburg Decr 9th 1842

Dear Sir

Although it is so near the time for the sailing of the ship I venture to write to you again hoping it may reach you in time.

I wrote to you a short time ago that my son Lancelot Blackmore would pay freight from Baltimore on packages sent to him per cars, &c upon their arrival at Cape Palmas, but a letter received this morning from Stockbridge the Baltimore agent for Steamer Pappahannock states that I am required to pay the freight before they leave Baltimore and they that he will pay it, and I suppose that he has done so before this time. I think it necessary that you should be informed upon this subject for which reason I write.

I have taken the liberty to forward several letters to L. Blackmore to your care post paid, to the Baltimore post office.

Very respectfully
Lucy L. Blackmore
