My Dear Sir,

I expect you to night, but have thought it best on the ground that you may be detained until morning, to forward the enclosed. I trust before this Mr Lynch & his People are with you. I answered his letter from Richmond, but it seems he did not receive the Answer.

Mrs M'Lain is a good deal troubled that she has not heard from you for two days - but I have told her there was good cause for anxiety.

Very truly
Your friend
R R Gurley
