My dear Sam,

Do you think
of getting a letter from me so
soon I know you do not but
though I would write, not
a letter but a note How
very warm it is here I
would rather be in old Annap.
I saw Jimmie this morning
gave him the bundle he is
well, you had Susie how I
wish you were here, I know
we could see a pleasant time
I have just been looking
at some beautiful pictures,
would have enjoyed them
more if you had been with
me Indeed dear Susie I
