Phil.a Dec.r 30th 1842

Dr Hall

Dear Sir

I thank you for the Reports & Journals & shall endeavour to make good use of them. They came too late however for the Extra, indeed I think the P. Office department is often dilatory of late.

Your receipts from the State exceed the amount I supposed, & your profit from the public store are greater also — In the future numbers of the Extra that error can be corrected — I send you a few copies of it for use & if you think it worth the expense we can send you including freight to Baltimore 1000 copies for $10.00 They will do good in this State, we have ordered 3000 copies for Penna.

The "little cripple" must except the apology I sent before & I rely upon your elegance, to which she yielded in a far more important case, to secure a full pardon

What was the real state of facts, concerning Griswold & Ramsay & Russwurm. I am glad to hear that Ramsay makes any apology.

A letter sent to me here would find me soon wherever I am — A happy happy New Year to Mrs H & yourself, May peace & comfort be your lot. I leave in half an hour

Yr Obt J. B. Pinney
