Washington March 21st 1843

My Dear Sir,

I learn from Gales & Seaton that they will proceed almost immediately in the publication of Mr Kennedy's Report & the accompanying documents. Will you be so good as to send me, as early as convenient whatever matter you may desire inserted in the Appendix? You spoke of something mentioned by Mr Latrobe. It occurs to me, that in reading Washburn, Brown, Tucker & Meredith you may light upon some extracts which it might be well to copy & print in this Appendix - Pray mark such passages & if you think proper send them them to me.

Mr McLain went south this morning. Suppose you give me a brief view of your thoughts in regard to the establishment of a regular packet line with our Colonies - Our Committee talked much of the matter last evening.

Very faithfully
My dear Sir
Yours R R Gurley
