My dear Sir,

I have your favor of yesterday, & hope we shall be able to meet your views on the 14th of April. Mr Mc Lane left some our funds (inadvertently I suppose locked up in Bank - I shall write for his order to draw them & if it does not come, we must obtain funds elsewhere, to pay our debt to you.

I ought before this to say, that on Saturday your second note for $21,50 was collected & the amount less fifty cents (which was David's commission for collecting both notes) deposited to your credit in the Bank of Washington.

I shall observe your instructions touching your medical work, which I have no doubt will be of great value. I hear nothing of the matter designed by Mr Latrobe for the appendix to Mr Kennedy's Report.

Very truly
& faithfully
your
RR Gurley

Dr James Hall
