Newport, July 25th 1843.

Dear Sir, I have to acknowledge your two communications — that of the 11th instant, by mail, & that of the 3d by Mr Rose. Kinson. I remained here to hear on Monday morn. Kinson's arrival was hailed by my mounts with great joy, & the news it was said, seemingly expected by them, for I had kept the fact of Kinson's expected visit a profound secret. I cannot yet judge of the effect which his visit may have in inducing others to emigrate to Liberia. I propose to start on my journey for Northampton, Conn. — will endeavour to see him in Baltimore in passing — shall probably take Kinson with me, as his presence here, in my absence, would probably give umbrage to the community, to say the least. Mr. Roberts was with me on Friday morn the 14th instant, but departed Sharpsburg he had sent to the slices. He returned on Sunday evening the 16th instant, & he & Kinson spent a few hours. He thought that he should probably be necessarily absent my intended absence from home. Should this be the case, it should be his business to Kinson's services, I shall not object to Kinson's going with him, otherwise it is my impression that it will be best for him to go as far as Baltimore with me.

I remain, very respectfully,
Yours,
Henry W. Gardiner
