Dr Hill

Dear Sir

I have just arrived at this place
I thought say Pike again, I left Cumberland on Friday
morning & came on to Hancock; the people there seem to
be disappointed in not having a meeting
it seems your letter reached there on Friday — I
called at Mr Bucks to enquire Mrs Buck was from home
I canvassed the town over and obtained about 15 dollars
I start for Clear Spring on Saturday morning, on Saturday
night I was taken with the Influenza — am have been
confined to bed most of the week — I venture up to day
but I feel very unwell, a very sore throat and cough
some fever remaining — I shall stop here until
Monday morning; and if I feel very better so that I think
I can I intend to canvass the town; and if not I shall
hear strait home — you said you would write
but nothing was in the office no more
at present
I am yours
Respectfully
John H Robert
